

I have been trying to get my thoughts together about what Weston Trap Club means to me and what I hope it means to you. I come here to sharpen my shooting skills and have some friendly competition. To me, Weston Trap Club is a place where we have all levels of shooters and people do not judge you. If you are struggling, you can find help to be a better shooter. I understand that for some, shooting is a passion, for others a family sport, and for others it is just an interest. My hope is that everyone feels welcome. I have always felt welcome here, and that this club is worth preserving. This club has one of the best youth programs around, excellent Hunter Safety classes, and hosts ATA and CWTA shoots annually! This is all done by volunteers and that says a lot. On top of that, we have club fundraisers and put on a "Toys for Kids Shoot" for the Women's Community. We also have some very dedicated people that maintain the buildings and grounds. My goal for this club is to maintain it and grow the membership. I hope that people find me approachable and open to the ideas of others. I want this to be a place where people feel welcome and safe. I hope that our volunteers and members feel appreciated and valued, and that everyone holds dear the friendships he or she has developed here over the years. Weston Trap Club is what we make it, we cannot just keep it for ourselves, we are helping it to carry on!
