- ✿ **Welcome** – We would like to welcome all new and returning members for another season of trap shooting and good times. This is YOUR club. When you join as a member, you take an interest in its operation. Help make it the best it can be. See if you can donate a few hours somewhere along the way this season. Whether it is attending a few meetings or coming out to mark a few rounds during an ATA shoot – it all adds up. The only people paid for their services in this club are the setters. Everyone else is a volunteer.
- ✿ **BE SAFE** – Remember, safety first at all times. Keep those actions open and the muzzles down range. If you see someone not handling a gun safely, don't hesitate to let them know. You may not get a second chance. Safety is everyone's job!
- ✿ **Is the ATA for you--** Have you considered shooting registered targets in a competitive environment? The Weston ATA shoots are not only a good source of revenue for our club, they are great fun as well. Ask a member that participates in these shoots and they would be happy to explain how it works. Visit www.shootata.com for more information.
- ✿ **ADDITIONAL HOURS-** The club will now be open Thursdays from 10am-2pm in addition to our regular hours. This should provide more opportunity for second shift workers and others to practice and post scores.
- ✿ **League Week #1 Starts April 27th– 1st Score Due May 1st** Be sure to pay membership and league fees before shooting or your score will not count. League work weeks are posted at the club. Be sure to check when your team is scheduled to work. Remember, someone from the previous squad is expected to mark a round for the next one.
- ✿ **First ATA Shoot May 10th & 11th** – Come out and enjoy some good food, fun, and fellowship. Oh, and did I mention shooting? Any help with marking is also appreciated. More information about the shoot is available on our web site.
- ✿ **Did you know?** - Starting this year for a small fee you will be able to register your league targets with the ATA.
- ✿ **PLEASE BE KIND TO THE SETTERS** - Do the setters a favor, check to see if the house is clear before starting a round. Let the setters know when you are finished (if they are left in the house during the round). Shut the microphones off after a round finishes. ALWAYS yield to the light bulb. If the light is on – STOP & UNLOAD IMMEDIATELY. If you see a setter not using the safety light, report it to the supervisor.

Have Fun and Be Safe!
