- ✿ **Congratulations to Weston Members!** The 2008 Wisconsin State Shoot is in the books and all I can say is WOW! A bunch of our members really brought it to Waukesha Wisconsin in a BIG way. Trophy winners include **Corbin Kostyn (7), Reed Slaby (6), Kinzie Platta (4), Joe Kirsch (4), Kyle Wojcichowski (3), John Halambeck (3), TJ Dahlke (2), Don Wagner (2), Roger Rubow (2), Bruce Wagner, Brad Gumz, Mike Loomis and Nichole Ogden.** As if that wasn't cool enough, many punches were earned by these and more in handicap while **Reed Slaby** and **Kyle Wojcichowski** each carded their first perfect **100 straight** registered 16 yards targets. Congrats everyone – awesome shooting!
- ✿ **1st Annual WSCTP Trophy offering** – New this year was the first offering of SCTP trophies for teams and individuals that participated in the 200 target Singles Championship event held during the 109th Annual WI State shoot. Two of SCTP squads were able to compete along with several individuals. Coming in second in the Senior Division – Varsity Category was Weston #1 consisting of **Kyle Wojcichowski, Joe Kirsch, Kinzie Platta, Reed Slaby and TJ Dahlke** with a total score of **972**. They followed the Burlington Team they beat last month but who scored an amazing 979 out of 1000 for this event. Those with individual honors include **Alex Heinz** placing third in the Senior Division – Junior Varsity Category, while **Kendra Ogden** placed second in the Intermediate Division – Advanced Category. Again, these young members have represented the Weston Trap Club in an exemplary manner. Congratulations to all who participated.
- ✿ **Weston Trap Member of the Year** – Know of someone deserving special honors and a place on the member recognition plaque for outstanding contribution to the success of the club? File a nomination with any board member and they will be considered.
- ✿ **Team Championship Shoot** - The Top four in each league - "A" Flight - and Consolation which is open to all - "B" Flight - will be held on Aug. 17th, 2008. Encourage your team to participate. It is a fun day and you might just come out of it with a trophy for your trophy case.
- ✿ **League Ties** - Will be shot off the week of Aug. 10th-14th. If you think your team may tie, get a score in. If your status is unknown, you must prepay your score.
- ✿ **ATA SHOOT July 12th & 13th** – We would like to thank everyone that helped out with the past ATA shoot season. Unfortunately, thanks to the terrible weather for each of the six days, the season was of marginal success. We just could not catch a break as the price of gas and lead had less to do with the poor turnouts than did the horrendous wind and conditions. Well, I guess once every thirty years we could be due for a bad season. It's just too bad it had to happen this year when we already had rising prices of components and gas working against us. Maybe next year.
- ✿ **More Targets** - Speaking of high prices, we received another load of targets. A little over a month ago, we received a load of targets costing us about \$7.95 per case. We have just received another truck load only this time they cost us about \$8.90 per case. Unfortunately, the price of fuel spares nothing.
- ✿ **Membership Poll** – At the June membership meeting a member moved to poll the membership. It was passed and basically asks if the Weston Trap Club Clubhouse should be made a Non-Smoking facility? Ballots can be found at the club or you may e-mail your vote to westonhitandmiss@yahoo.com. The vote must be signed or if sent by e-mail, include your name. Votes can also be placed in the locked box at the club house.
- ✿ **Elections** – coming soon. We need volunteers for Secretary and Treasurer. Think about it.
- ✿ **The Past Members Memorial Shoot** – 11:00 AM August 2nd, 2008. Lots of fun and games. Free targets for members except for the buy in type games like Annie Oakley etc. Bring a dish to pass. Come have some fun!
- ✿ **Membership Picnic Coming Soon** – you will be receiving a notice of class assignment for shooting in the club picnic in the mail soon. This is based on known ability, recent average or current league results. You will also receive notice of your assigned class time slot. You must shoot within this time slot or shoot within the time slot for a higher class. However, if you shoot within the slot for a higher class, you will be assigned to compete within that class. Remember, the whole family is invited and drinks and the main entree' is provided by the club. Bring a dish to pass and utensils.

Sincerely,

Russ Slaby
