• **Membership Meeting** - The January 8th, 2008 membership meeting is very important. We will review the shooting rules. The board will present proposed amendments to the club bylaws regarding required meeting schedules and quorum requirements, as well as other issues. Plan to attend – 7:00 PM at the club house.

• **Hunters Safety Classes** - The dates for Hunters Safety Classes in 2008 are; January 14th thru the 19th, February 18th thru the 23rd, March 10th thru the 15th. Class times are 6 pm to 9 pm weekdays and 7 am to 3:30 pm on Saturday. The course is recognized in all 50 states, Canada and Mexico. Club members have precedence in filling slots; however, these classes fill up fast. Contact Dave Clairmore, Lead Instructor, Weston Hunter Safety Group, 359-8605.

• **All American Instructor** - Harlan Campbell Jr. will again be offering his outstanding instructional clinic at our club. If you want to jump start your game or simply refine it, think about attending this clinic. The dates are Wed. May 7th for a one day class for \$165 and (2) two day classes on Thursday & Friday May 8th & 9th and Saturday and Sunday May 10th & 11th for \$300. Contact Glenn Hamerly 359-7673 for more information.

• **Donations** - The youth league continues to accept donations. Drop off donations of scrap metals and aluminum at Cousineau Auto throughout the year. Contact Don Suchomski at Cousineau Auto.

• **LOST AND FOUND** - Three browning chokes tubes and a pair of prescription shooting glasses were found on the south end of club property. Please see Russ Howland or a board member to claim them. Also, Andy Schmidt has been missing a Cool Tie since the SCTP Grand. If anyone has an extra one missing an owner, please contact Andy or his parents to see if it might be his.

• **Update - Trap Field #6** – The new PAT trap is here and ready to be installed as soon as a stand is built. The concrete work is finished and the trap house is ready for a door. The new wireless voice releases are in as well. Thanks to Jack Morris, the house is hot with electricity. All that remains is to install the trap, the door and to fill and groom the top soil which we won't be able to apply until next spring. With any luck, we may be able to give the field a "shake down" run in the CWTA championship shoot on April 13th, 2008. Paint will have to wait until it is warm again.

• **Talk to Us** – As members, you are the owners of this club. If you have an idea or suggestion, tell a director or better yet, show up at a meeting and discuss it with fellow members personally. This club will only be as good as the input that is received from members like you.

• **Youth Liaison** – Hey junior members, the same goes for you. Don't just talk about things or complain in the shadows, tell someone what you think. Talk to Corbin Kostyn, he is your elected youth liaison and has been faithfully attending most membership and directors meetings. Let him know what you do or don't like.

• **CWTA Shoots** – First one of the season is scheduled for January 6th at the Lincoln gun club. Come out and remove some rust from the barrels.

Respectfully submitted,

Russ Slaby
