

January 2018 Newsletter

Next Meeting: January 2, 7:00pm

- The fourth annual Christmas Shoot held on December 2nd was a great success thanks to the beautiful weather and the generosity of all those who participated. 84 rounds were shot raising over \$600 and dozens of toys for the Women's Community.
- The shooting rules will be reviewed and revised at the January 2nd meeting. Potential changes to rules, fees, and a decision on the continuation of punch cards will be made. If you have an opinion on these matters your attendance is imperative.
- The Raffle Banquet is only a few short months away. This is a major fundraiser for the club and last year's proceeds completely rebuilt trap house #2. Once again we are asking members to donate items to be used as prizes. Services, retail merchandise, handicrafts, and beverages are just a few ideas. Consider giving to the club that gives you so much enjoyment. Items may be brought to a meeting or given to a board member.
- Keep your shooting skills sharp this winter by participating in the CWTA. They get things started on January 14^h at the Manawa Gun Club. For more information and the schedule, visit cwtatrap.com.
- The Range Officer position is still vacant and needs to be filled in order for the club to have a full board, interested members should attend the next meeting. Target setters will be needed for the coming year, the only requirement for these employees is that they be at least 16 years of age. Interested persons should contact a board member or inquire by email; westontrapclub@gmail.com.

Respectfully,
