JULY 2007 NEWSLETTER

The August Membership Meeting has Been Cancelled

The next Board Meeting is scheduled for August 14th, 2007 at 7:00 p.m.

Open April - October or by Appointment

Wednesdays & Thursdays at 6:00 PM - Sundays at 1:00 PM

- ✿ **Field Addition** - The Village of Weston has approved our application for a Conditional Use Permit and Recreational Zoning Overlay. With this, all necessary approvals have been received. Construction will begin soon. If you have resources or talents that could contribute to the success of this project and save the club some money, please contact a board member.
- ✿ **INTRODUCTION TO TRAP PROGRAM** – Russ Howland and several other members have recently completed coaching the six week introduction to trap program. Russ led a large group of kids down to the state shoot in Waukesha on Sunday July 22nd so they could participate in the free 50 target non-registered event put on by the WTA's youth development program. Shells and targets were provided by the WTA free of charge. There were 56 squads of kids shooting that Sunday afternoon. A tremendous increase in participation over previous years. Hopefully, this is a sign of things to come and will result in creating future trap shooters. The survival of our sport could very well depend on the success of programs like the SCTP and the WTA youth development program. Thank you to Russ, his assistants, the participants, and the parents that enrolled their children for your contribution to the future of our sport.
