- ✿ **Women on Target (WOT)** – A huge Thank you goes out to Glenn Hamerly and several female members of our club and surrounding clubs, for hosting the NRA WOT event on **Saturday, May 17th, 2008**. There were 17 participants. Not bad for the clinic's first year. I would say it was a complete success. Good job everyone. For more information about the program, go to <http://www.nrahq.org/women/isc/index.asp>.
- ✿ **Weston SCTP** – Wow, what has Glenn Started? A Very successful program with momentum that just keeps picking up speed! The Weston SCTP team has 36 kids in the program. An all time high. Every year it seems to grow. The kids will be shooting at the SCTP State shoot in WI Rapids on June 21<sup>st</sup> and at the Grand American grounds in Sparta, IL for the SCTP national competition on Aug. 4th & 5th. Good Luck kids!
- ✿ **Mayville High School Shoot** – Congratulations to five of our own junior shooters that represented the D.C. Everest High School at the Mayville High School shoot. 119 teams competed including 8 from the Wausau district. The Everest team members were T.J. Dahlke, Corbin Kostyn, Kinzie Platta, Joe Bartlett and Reed Slaby. The team tied for 13<sup>th</sup> out of the 119 teams and led all Wausau area teams by more than 30 targets. Kinzie Platta took high lady with a 96 in very trying conditions. Good job guys and gal.
- ✿ **Work Weeks** – Some teams are already taking 0's for missing their work week. Check the schedule!
- ✿ **ATA SHOOT June 7th & 8th** – Sign up starts at 10 am Saturday. The Program is on our Web site or at the club. **WE NEED HELP! Please consider coming out to lend a hand. Ask someone how you can help.** These shoots provide revenue for improvements to our club (Club Renovation, etc.) and help keep prices down. The ATA shoots DO benefit you – the member.
- ✿ **INTRODUCTION TO TRAP** – A six week course introducing new people to the sport of trap shooting will again be sponsored by the club and offered to anyone interested. A Hunters Safety Certificate is NOT required. Contact Russ Howland for more information.
- ✿ **Thank You - Custom Design Precast Inc.** - has donated some waste containers and benches to the club. Thank you very much. [www.cdprecast.com](http://www.cdprecast.com)
- ✿ **The Board Needs Input!** – Your board of directors would like some feedback from the membership. Since there is consistently only a small group of members that make it to the monthly meetings, we will try reaching out through the newsletter. We need to know exactly what capital improvements and services you as a member owner would like to see. Please make your comments in the area at the bottom of this page and send it in or bring to the club and place it in the suggestion box we hope to have made soon. If the box is not there, feel free to leave it with one of the workers or a supervisor.
