- **Women on Target (WOT)** – A huge Thank you goes out to Glenn Hamerly and several female members of our club and surrounding clubs, for hosting the NRA WOT event on **Saturday, April 25th, 2009**. There were 13 participants I would say it was a complete success. Good job everyone. There is the possibility of another WOT being held this fall. For more information about the program go to <http://www.nrahq.org/women/isc/index.asp>.
- **Weston AIM** – Wow, what has Glenn Started? A Very successful program with momentum that just keeps picking up speed! The Weston AIM team has 19 kids in the program. The team will participate in the Grand American in Sparta, IL for the AIM national competition on Aug. 8th & 9th. Good Luck kids!
- **Work Weeks** – Some teams are already taking 0's for missing their work week. Check the schedule!
- **ATA SHOOT**—We held our first ATA shoot of the 2009 season on May 16th and 17th. Saturdays turn out was quite small with about 30 shooters participating. The weather on Saturday was typical for a Weston shoot with cool temperatures and highly aggressive winds. Sundays turn out was greatly improved over Saturday, the winds had slowed and the sun shined which resulted in a much larger turn out for the day. There were about 80 shooters for the Sunday shoot. Thank you to all those who showed up to work. It does take a lot of help to run an ATA shoot, so please if your team is scheduled to work please show up.
- **ATA SHOOT June 27th & 28th** – Sign up starts at 10 am Saturday. The Program is on our Web site or at the club. **WE NEED HELP! Please consider coming out to lend a hand. Ask someone how you can help.** These shoots provide revenue for improvements to our club (Club Renovation, etc.) and help keep prices down. The ATA shoots DO benefit you – the member.
- **INTRODUCTION TO TRAP** – Starting June 8th at 6:00 pm a six week course introducing new people to the sport of trap shooting will again be sponsored by the club and offered to anyone interested. A Hunters Safety Certificate is NOT required. Contact Russ Howland for more information.
- **The Board Needs Input!** – Your board of directors would like some feedback from the membership. Since there is consistently only a small group of members that make it to the monthly meetings, we will try reaching out through the newsletter. We need to know exactly what capital improvements and services you as a member owner would like to see. Please make your comments in the area at the bottom of this page and send it in or bring to the club and place it in the suggestion box we hope to have made soon. If the box is not there, feel free to leave it with one of the workers or a supervisor.
