Congratulations to all winners and thanks to all who participated.

THE NEXT ATA June 23rd and 24th - **HELP** is needed for marking - the day gets under way at 10:00 a.m. - If you can be available to mark or anything else for a few hours that day it really helps. Any other info on the shoot will be on our website.

WORK WEEKS - Make sure you check the work week assignments so that your team is there when it's your turn. These are posted at the club and are also on the web.

INTRODUCTION TO TRAP - Starting in June a six week course introducing new people to the sport of trap shooting will again be sponsored by the club and offered to anyone interested. A Hunters Safety Certificate is NOT required. Contact Russ Howland for more information.

That's it for this news letter. The season is well on its way with the weather we have had; summer is definitely around the corner. Come out and enjoy the nice weather get your practice in or that next league score.
