- **Zone Shoot-** The Zone shoot held June 10-12 was well attended and a lot of fun. We had beautiful weather and a great cookout Saturday evening. Thanks to all those that helped make it a success. Especially Duane Bricko for working the bar, the ladies behind the counter, Jeff Frolik and Dan Kellner for their culinary skills, all of the scorekeepers (youth and adult), Woody for being the “go to man”, Tom Gumz for the endless maintenance and assistance (sorry you didn't make the tractor show), Ron Wanta and Russ Howland for cleaning out the trap houses, everyone who brought food or helped in some way, we are truly grateful.
- **Introduction to Trap-** The Intro to Trap program is underway and meets Sunday nights at 5:00 for anyone new to the sport. The club would like to thank Bruce Herman and Rod Bricko for their generous donation of ammunition and reloading components in support of this program.
- Good luck to everyone traveling to the Wisconsin State Shoot being held July 12-17. Also, don't forget to wish our youth team luck as they travel to the World Shooting and Recreational Complex in Sparta, Illinois for the AIM Grand National Championship held July 28 - August 2.

Respectfully,
