

June 2017 Newsletter

Next Membership/Board Meeting; June 6, 7:00pm

**Open Shooting on Wednesday at 6:00pm. Thursday 10am-2pm & 6:00pm
Sunday at 1:00pm**

- Just a reminder that someone from the previous squad is expected to mark for the following squad. "I can't mark because I have to shoot a league round" is not a valid excuse. Everyone here is doing the same.
- The Intro to Trap program will begin Sunday, June 4th at 5:00pm for anyone new to the sport. There is no cost and introduces those with no experience to the exciting sport of trap shooting.
- Doubles league recently started but there is still time to sign-up. This year's program consists of 12 pairs of targets per week for 10 weeks.
- Be sure to check when your team is expected to work. Teams that did not sign-up were assigned work weeks or ATA shoot days. Failure to complete work duties will result in a zero score for that week.
- The Weston Trap Youth Program recently acquired an enclosed trailer for use in traveling to state and national competitions. Thanks to Kyle Wojciechowski for securing the Friends of NRA grant that made it possible.
- Some upcoming events at the club that are noteworthy include the Wisconsin Tavern League shoot that will occur on June 11 and the final ATA shoot June 17&18. As always we are looking for extra help from membership for these endeavors, so please consider coming out to help if even for a couple hours.

Respectfully,

Wayne Lambrecht Jr.
