Open April - October or by Appointment
Wednesdays & Thursdays at 6:00 PM - Sundays at 1:00 PM

- ✿ **LEAGUE SHOOTING** – League competition is on. As always, the early season weather has made it interesting. There are still some great scores being shot. If you are not shooting some of those great scores, at least you have a handy excuse. It really was the wind! League Workweeks are posted at the club. Be sure to check when your team is scheduled to work. Remember, EVERYONE is expected to be available to mark a round for the next squad.
- ✿ **ATA SHOOT** - The next ATA shoot is scheduled for June 2nd and 3rd. HELP is needed for marking. The day gets starts at 10:00 AM. If you can be available to mark for a few hours that day it really helps. It is much easier now that we don't have to push the button. It also helps to double up with someone so you can rotate and allow for necessary breaks. If you know you can help that day let Glenn Hamerly or Jack Morris know. These shoots are great revenue generators for the club. This helps keep our fees lower. Any help offered is greatly appreciated.
- ✿ **PLEASE ATTEND THE JUNE MEMBERSHIP MEETING. JUNE 5th! 7:00 PM.** There is important business to be discussed. Please be present to cast your vote. This is YOUR club.
- ✿ **CURE FOR CANCER SHOOT JUNE 30th** – We are hosting the Cure for Cancer Shoot organized by Glen Grabski on Saturday June 30th. This 50 target event will be based on the very popular CWTA program with all the same options with the exception of belt buckle trophies and the perpetual purse. Proceeds will be donated to the Cure for Cancer organization. Please support this worthy charity. We could use some help as well.
- ✿ **STATE SHOOT** – For those interested in shooting the state shoot, if you haven't heard, the pre-squad and squad selection process has changed. The WTA will not be using the trap shuffle system this year. The WTA is pre-squadding through www.presquad.com for a \$2 per post fee. With presquad.com, you can select your squad, position and bank. After presquadding expires, squads will be filled on site from the first available squad. For example, if you are not pre-squadded and you show up at the state shoot wishing to shoot Saturday's 16 yard championship event, you will be given a post on the next available squad. As I understand it, you can no longer "pull tickets". Of course, all the people using presquad.com are claiming the best times and banks so, you can imagine what will be left.
- ✿ **SCTP DONATIONS** – You can support the highly successful Weston SCTP Youth Team by donating your aluminum and scrap metals. Just drop them off at Cousineau Auto on Ryan Ave in Weston. Tell them it is for the Weston Trap Youth. If you need help transporting them, ask a SCTP member, Parent or Coach for more information. Of course, cash donations are also welcome.

Have fun! Be Safe.
