Board Meeting May 14th 7:00 PM at the Clubhouse

Open Wednesdays & Thursdays at 6:00 PM

Open Sundays at 1:00 PM

- ✿ **Welcome** – We would like to welcome all the new and returning members to another new season of trap shooting and good times ahead. This is YOUR club. When you join as a member, you take an interest in the operation of this club. Help make it the best it can be. See if you can donate a few hours of help somewhere along the way this season. Whether it is attending a few meetings or coming out to mark a few rounds during an ATA shoot – it all adds up. The only people paid for their services in this club are the setters. Everyone else is a volunteer. We need your help
- ✿ **THINK SAFETY** – Remember, safety first at all times. Open or OUT. Keep those actions open and the muzzles down range. If you see someone not handling a gun safely, don't hesitate for a second to let them know of their mistake. You may not get a second chance. Safety is everyone's job!
- ✿ **Is the ATA for you--** Have you considered shooting registered targets in a competitive environment? The Weston ATA shoots are not only a great source of revenue for our club but, they can be great fun as well. Ask a member that participates in these shoots and I am sure they would be happy to explain how it works. Or, visit www.shootata.com for more information
- ✿ **League Starts April 28th– 1st Score Due May 2nd** Be sure to pay membership and league fees before shooting or your score will not count. League Workweeks are posted at the club. Be sure to check when your team is scheduled to work. Remember everyone is expected to mark a round for the next squad.
- ✿ **First ATA was this past weekend** – We had great weather finally. All who came out enjoyed good fun and food. Thank you to all that helped with marking or anything else it was greatly appreciated. Next ATA Shoot will be May 11 and 12 come out and enjoy and as always any help is always appreciated.
- ✿ **INTRODUCTION TO TRAP** – A six week course introducing new people to the sport of trap shooting will again be sponsored by the club and offered to anyone interested. Contact Russ or Lynn Howland for more information.
- ✿ **BE KIND TO SETTERS** - Do the setters a favor, check to see if the house is clear before starting a round. Let the setters know when you are finished (if they are left in the house during the round). Shut the microphones off after a round finishes. ALWAYS yield to the light bulb. If the light is on – STOP & UNLOAD IMMEDIATELY. If you see a setter not using the safety light, report it to the club supervisor.

Meeting Agenda Committees for Building, Trophies, and Grounds. Getting East boundary surveyed.

Have fun, Be safe
