**Next Membership/Board Meeting: May 2, 7:00pm**

**Open Shooting on Wednesday at 6:00pm. Thursday 10am-2pm & 6:00pm  
Sunday at 1:00pm**

- We would like to welcome all new and returning members for another season of trap shooting. Please take some time to reflect on safe firearm handling practices. Keep your actions open at all times and muzzles pointed in a safe direction. Also, no alcohol is to be consumed before shooting. If you see someone acting in an unsafe manner don't hesitate to let them know, you may not get a second chance. Safety is everyone's responsibility.
- Be kind to the setters. Understand whether or not they will remain in the house during the round. Always yield to the light bulb! If the light is on, stop and unload immediately.
- League week #1 starts April 30, first score is due on May 4. Please pay any dues or fees before recording a score. Don't forget to assign your team a work week or an ATA shoot. If your team of at least four members works an ATA shoot all day, your work obligation is complete. The sign-up sheet is available inside the club.
- Help will be needed for the first ATA shoot April 29-30 and DCE Adventure Day April 26. Students will arrive on the 26<sup>th</sup> at 11:00am and leave at 2:30pm. If you plan on helping that day please be a little early.
- Thanks to everyone who helped with replacing the garage roof especially the Engman team. Also, thanks to everyone who helped, donated, or contributed to the success of the raffle banquet. The raffle proceeds will be used to replace trap house #2 later this year and it generated over \$1400.00 for the River Valley Bank Victims Family Fund.

Respectfully,
