All results are posted on the website.

✿ Again, the January 8<sup>th</sup>, 2008 membership meeting is very important. We will review the shooting rules. Bring your ideas and / or gripes. The board will present proposed amendments to the club bylaws regarding required meeting schedules and quorum requirements, as well as other issues. Please plan to attend.

✿ The dates for Hunters Safety Classes in 2008 are; January 14<sup>th</sup> thru the 19<sup>th</sup>, February 18<sup>th</sup> thru the 23<sup>rd</sup>, March 10<sup>th</sup> thru the 15<sup>th</sup>. Class times are 6 pm to 9 pm weekdays and 7 am to 3:30 pm on Saturday. The course is recognized in all 50 states, Canada and Mexico. Club members have precedence in filling slots; however, these classes fill up fast. Contact Dave Clairmore, Lead Instructor, Weston Hunter Safety Group, 359-8605.

✿ The youth league continues to accept donations. Drop off donations of scrap metals and aluminum at Cousineau Auto throughout the year. Contact Don Suchomski at Cousineau Auto.

✿ Remember, if you can help the club reduce mailing expenses by choosing to receive your newsletter via e-mail, drop me a note at [westonhitandmiss@yahoo.com](mailto:westonhitandmiss@yahoo.com). It will be greatly appreciated.

✿ **LOST AND FOUND** - Three browning chokes tubes and a pair of prescription shooting glasses were found on the south end of club property. Please see Russ Howland or a board member to claim them. Also, Andy Schmidt has been missing a Cool Tie since the SCTP Grand. If anyone has an extra one missing an owner, please contact Andy or his parents to see if it might be his.

✿ **Update - Trap Field #6** – Things are taking shape on the south end of our property. The new field has been graded and the concrete poured for both the house and the pads. You will notice the new house is a little different from the rest. The new house is a full 6' clear inside meaning a good sized man will now be able to stand upright when inside the trap house. From the shooting stations, it will look the same as the rest of the fields. The new wireless voice releases are in as well.

✿ **THANK YOU!** We can't say thank you enough to **Jody Babl** and **Mitch King** for the donation of fill material and/or heavy equipment. Jody did a great job of grading the new field. Also, member **Paul La Vanway** has presented us with a \$1,000 donation toward the construction of field #6 from **Lignotech USA**. Thanks to all who have contributed to this project. Your donation of time, money and material is very generous and greatly appreciated.

✿ Sadly, while writing this newsletter, I have learned that the Weston Hit and Miss Trap Club has lost a founding life member. Art Butler passed away Oct. 27<sup>th</sup>, 2007. Art was an active member and very well liked by most everyone. We will miss his smiling face. Oh, and . . . Art, there is plenty in the "bird fund". You've done well buddy.

Respectfully submitted,

*Russ Slaby*
