

February 2017 Newsletter

Next Meeting: February 7th, 7:00pm

- The shooting rules were reviewed and revised at last month's meeting. After healthy debate the membership approved raising shooting fees to \$4.00 per round. That will increase summer league fees to \$60.00 per team member. Non-members will pay \$5.00 per round. There were no changes to annual dues or any other rules. The extra revenue generated will help with improvements such as re-roofing the garage, purchase of new equipment, and rebuilding trap houses. Thanks to all who participated, the board believes a continued large attendance at meetings will equate to a bright, strong future for our club and sport.
- We are still looking for persons to fill setter positions for the year. These are the only paid positions at the club. Duties mainly include, but are not limited to, loading the traps during open hours and events. It is a great way for high school or college age students to earn some income. If you know anyone age 16 years or older, who would be interested in a part-time job, please let them know about this opportunity. Contact Rod Bricko at 715-355-0623 or rbricko@charter.net for more information.
- Tickets for the Raffle Banquet being held on March 29th are available now. As in previous years we are soliciting donations from members to use as prizes. Anything from handmade items, beverages, or retail merchandise would be more than appreciated and may be left at the club or given to a board member.
- Hunter education classes still have room and will be offered February 24-26 or March 20-25 this year. To register contact Dave or Sherry Clairmore: 715-359-8605 or dclai401@gmail.com

Respectfully,

Wayne Lambrecht Jr.
