

February 2018 Newsletter

Next Meeting: February 6th, 7:00pm

- The shooting rules were reviewed at the January meeting and no revisions were made for 2018. The prepaid ten round punch cards will be continued and will be valid until the end of the calendar year.
- We are looking for persons to fill setter positions this spring. These are the only paid positions at the club. Duties include, but are not limited to, loading the traps during open hours and events. It is a great way for high school or college age students to earn some income. If you know anyone age 16 years or older, who would be interested in a part-time job, please let them know about this opportunity. Contact westontrapclub@gmail.com for more information.
- The club still requires a member to step forward to fill the Range Officer position, a full board is necessary to execute it's duties efficiently. Interested parties should attend the next meeting.
- Tickets for the Raffle Banquet being held April 5th are available now. As in previous years, we are soliciting donations from members to use as prizes. Anything from handmade items, beverages, or retail merchandise would be appreciated and may be left at the club or given to a board member.
- Hunter education classes still have room and will be offered February 16-18 or March 19-24. To register contact Dave or Sherry Clairmore: 297-1256 or dclai401@gmail.com .

Respectfully,
